---

With a large refit in 2017, MEDUSA is a big volume Azimut 30 Jumbo yacht equipped with all the equipment expected on a yacht of its kind.

She features a contemporary and clean interior with 4 en-suite, a cinema / lounge room and a large salon.

During the refit, zero-speed stabilizers were added for extra comfort and provide a true lifestyle while on board.

The deck spaces are the highlight of MEDUSA with an oversized fly bridge with a large jacuzzi, bar, sun-bathing area, dining and plenty of space for seating.

During the refit, the fly-bridge was extended to ensure the space is of a true super-yacht's size.

Another key feature is the hydraulic large swimming platform, which makes it very comfortable and pleasant for everyone swimming.

A beach club is often set up by the crew in the swimming platform area.
